

**Are you interested in the work of the Trust?  
Keen to be involved and informed?**

**WHY DON'T YOU BECOME A MEMBER OF THE TRUST COMPANY?**

The Trust strives to conserve and maintain the unique architecture and townscape of the Suburb which makes it an outstanding Conservation Area, and its members should include all of the residents who believe that this conservation is worthwhile.

There are several benefits of membership:

- Receipt of the Annual Report and Accounts of the Company
- Voting rights in Trust Council elections
- Voting on major Suburb management issues through the Annual General Meeting

The membership requirement is that you are an adult who has lived on the Suburb for more than 3 years. There are no restrictions on the number of members per household.

The Trust differs from most companies in that while fulfilling its objective to conserve and maintain the character and amenities of the Suburb it produces no profits or dividends. The Trust does not have shareholders but members who have no financial commitment and a limited liquidation liability of £1.

The eight company directors (known as the Trust Council) are volunteers. Four of the directors are appointed by outside organizations (Law Society, Royal Institute of British Architects, Royal Town Planning Institute and Victorian Society); the other four are Suburb residents elected by Trust members.
