

THE TRUST

# GAZETTE

PUBLISHED BY THE HAMPSTEAD GARDEN SUBURB TRUST LIMITED

ISSUE No. 5

JUNE 2008

## You are invited...

As we hope you will see from this edition of the Gazette the Trust Council and staff are actively pursuing the Trust's aims for the Suburb. We would now like to invite residents to meet and discuss how we are doing and what policies we might pursue in the future.

Of course there other opportunities for you to make your views known to us, at the AGM in September, in our marquee at the Proms at St Jude's in June or indeed at any time, by appointment, at the office. However we would value the input of interested residents in a structured, but informal, discussion that will allow time to explore ideas.

Our proposal is that we would circulate beforehand a short paper on the topic or topics to be discussed. Then at the

meeting, a Trustee, member of staff or volunteer would speak about the paper for five minutes and the matter would then be thrown open for discussion.

Topics might include:

- Trust organisation and powers
- Trust finances
- Planning application decisions – improving the process – the Suburb area by area
- Enforcement of Trust decisions
- The Trust's charitable function – the 'social fabric' of the Suburb
- The Trust's estate management.

The results of the debate would then be circulated to the Trust Council. At the first meeting a view could be taken on whether further meetings should be held.

However, before going any further the Trust would like to seek the views of residents and try and gauge the level of interest.

Please get in touch if you are interested in attending and let me know what topics you think need discussing.
