

HAMPSTEAD - GARDEN - SUBURB - TRUST

ASSOCIATE MEMBERSHIP OF THE TRUST COMPANY

The Trust strives to conserve and maintain the unique architecture and planning of the Hampstead Garden Suburb. Trust Members should include all residents who believe that this conservation is worthwhile.

Benefits of Associate Membership:

- Receipt of the Annual Report and Accounts of the Company
- Participation in Suburb management through invitation to the Annual General Meeting
- Optional invitations to Members events

The requirement for Associate Membership is that you have recently moved to the Suburb. Once you have lived here for 3 continuous years you will become eligible for Full Membership which will allow you to vote in Trust Council elections and at the Annual General Meetings. There are no restrictions regarding the number of Members per household. **Please fill in one form per Associate Member.**

The Trust differs from most companies in that while fulfilling its objective to conserve and maintain the character and amenities of the Suburb it produces no profits or dividends. The Trust does not have shareholders but Members; who have no financial commitment beyond a limited liquidation liability of £1.

The eight Trustees who are the company directors (known as the Trust Council) are volunteers. Four of the Trustees are appointed by outside organisations (Law Society, Royal Institute of British Architects, Royal Town Planning Institute and Victorian Society); the other four Trustees are residents elected by Trust Members.
